 8  6  18

This stately residence with a northly aspect is beautifully appointed and set down a long tree lined driveway with electric gates for privacy and security. Set on 5 acres in a premier location and within walking distance to Kenthurst village. Close to Hills Grammar, Dural and Castle Hill shops.

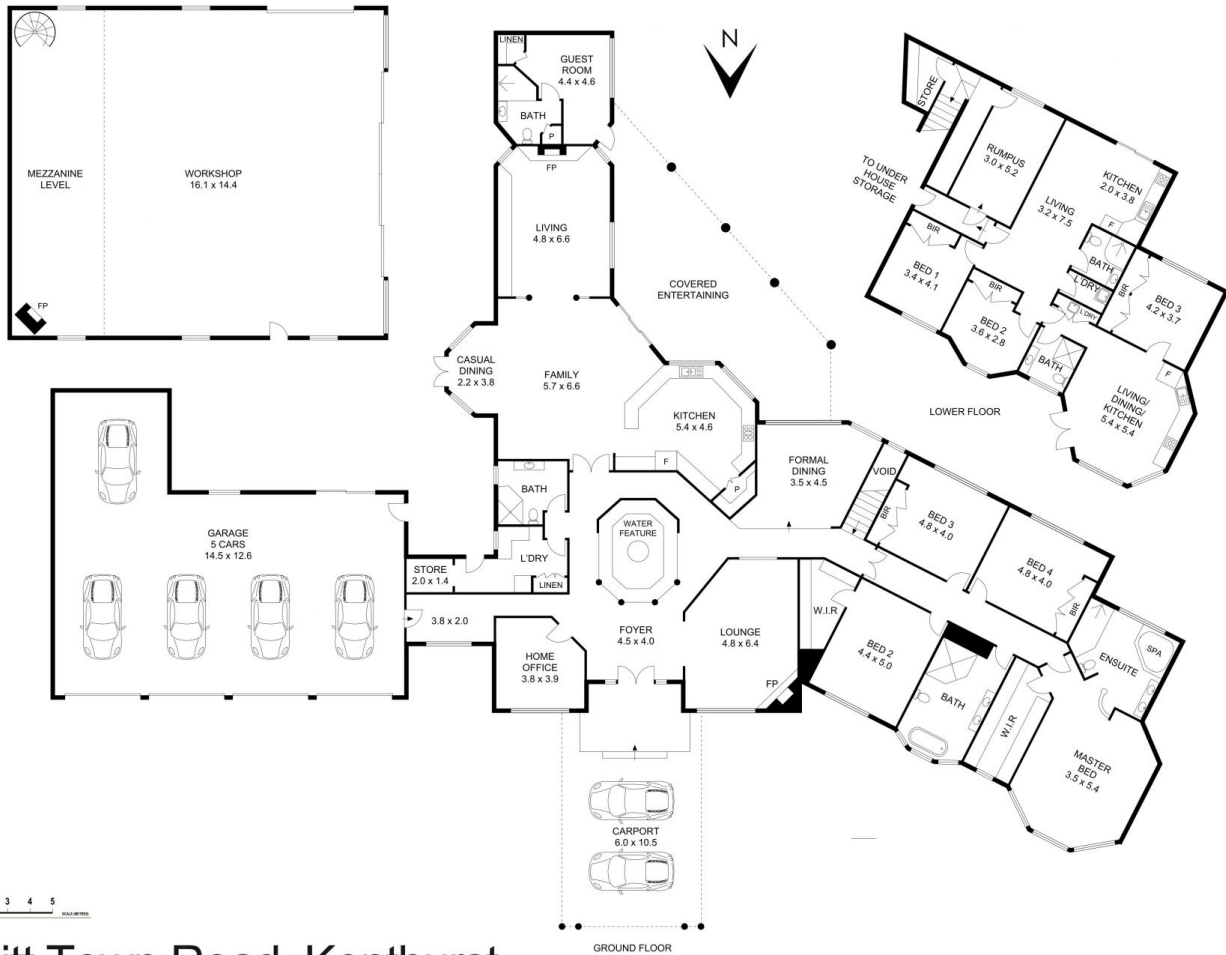

As you drive into the property you get a sense of something special, driving past a lovely dam with a water feature which is home to local wildlife, water hens and koi fish.

The family home is expansive and very generous in proportion with formal and casual living areas. The house has the benefit of downstairs accommodation, perfect for a teenagers retreat or extended family. Currently, this area is used as two self contained flats providing rental income.
