Where Space, Simplicity, and Family Come First

If you've been yearning for more - more space, more freedom, more time together - then this may be the sign you've been waiting for.

Set on 5 acres in the heart of Dural this is more than a home - it's a lifestyle. A place where your children can grow riding motorbikes, horses and kicking footballs and learning the rhythm of the seasons. Where you trade in traffic for tranquility, and screen time for sunsets.

This is a property that invites families to slow down, reconnect, and reimagine what everyday life could look like.

The home itself is generous, light-filled, and beautifully suited to family living. Multiple living zones provide space
